- Drivers under the age of 21 years may only drive vehicles with 8 or fewer passenger seats.
- All drivers must have held their full licence for at least 12 months, increased to 24 months for drivers of vehicles with 16 passenger seats or less.

**Question 1:** If answered “YES”, please give details of all medication taken, confirm whether the DVLA have been made aware of your condition and detail any driving restrictions imposed.

(Defective vision corrected by glasses or contact lenses does not need to be declared).

**Question 2:** Please explain the actual circumstances of the accident or claim (what happened).

Please include details of all incidents involving vehicles owned and/or driven by you.

Please confirm the total costs arising from the accident, irrespective of whether you made a claim and include any own repairs, third party repairs, compensation and costs etc. “Unknown” or similar cannot be accepted and we will be unable to approve you.

**Question 3:** Please ensure that you quote the correct conviction (Offence) code (e.g. SP30).

The date must be the date of the conviction, not the date of the offence.

Offences must be declared where the date of conviction is within the last **five years**, regardless of whether or not the conviction is still shown on the licence.
