

Dear Member

We hope you are keeping safe and well and we thank you for your continued patience during these difficult times. We thought we would contact you to provide some very exciting news! We are currently working through our complex operational changes for the safety of you and our staff and we are pleased to announce a phased reopening.

Following the government announcement on the 9th July, we are pleased to inform you that within phase one we will be opening the Russell Seal Fitness Centre on the Streatham Campus on Monday 10th August. We will be operating a strict booking system for the gym, you will need to book online prior to attending and the numbers for each session will be limited. However, there will be several sessions per day to give you all the chance to book a slot – more information will follow shortly along with our opening hours.

To ensure you still have a great experience whilst maintaining safe distancing, we have utilised the space in the Indoor Tennis Centre and moved some equipment from the Russell Seal Fitness Centre to create larger training spaces for you. We will be providing a video walk around soon and more images to give you a sneak preview – we hope you are as excited as we are?

As a student member your membership will be valid until the 31st August and we are pleased to announce that as a current member who missed out on term 3, we are rolling over your membership to term 1 and providing you

with an incredible exclusive offer of £140 for the rest of the academic year. We will of course let you know how you can sign-up soon, as you won't want to miss out on this amazing loyalty discount.

We also wanted to share with you the principles that we will be working to when you return - follow the link below to the pdf on the right handside of the page:
