

EXCELLENCE IN SPORT

6 January 2021

NATIONAL LOCKDOWN

CLOSURE

Closed until further notice

Following the Government announcement on Monday 4 January the **sports facilities are now closed until further notice.**

Many thanks for being part of our Swim School, for your support during these changing times and your feedback - we look forward to welcoming you back just as soon as possible. We will follow all relevant legislation to ensure we can provide a safe environment when we can reopen and communicate just as soon as we possible.

Stay safe.

YOUR PAYMENTS

What are we doing?

We are working with our DD partner (Harlands) to freeze all payments. DD payments can take 4 to 5 days to stop (if they are in process they can't all be cancelled immediately), but don't worry as we will restart the payments on a specific date so no-one will miss out.

It is important that you don't cancel your DD with Harlands or through your bank as you may incur a fine and it will make it a little more difficult to restart.

If a payment is made over the next few days please don't worry as you won't miss out, it will be used against future lessons. We will be in contact just as soon as we have more information and know the lockdown period and restart date.

If you have any questions about the lessons please email: swimminglessons@exeter.ac.uk

If you have any questions about payments please email: sportsadmin@exeter.ac.uk

EVENTS

4 January Closure until further notice

St Luke's Sports Centre, University of Exeter, Heavitree Road, Exeter, Devon, EX1 2LU
