Update 26 Nov 2020

## SWIM SCHOOL RESTARTING

### RESTARTING LESSONS

Thursday 3 December 2020

We thank you for your patience and understanding during these unusual times and we do hope you are all staying safe and well.

Swim lessons will **restart on Thursday 3 December 2020**. Days and times of lessons will **remain the same as prior to lockdown**. Please note the **changing rooms** will remain closed but we will continue to utilise sports hall space for changing but if you are able to come swim ready and leave without getting fully changed it would be appreciated.

If you use the main campus car park please ensure you follow directional signage and be aware an area of the car park is unavailable.

**DD payments** were frozen from Thursday 5 November and won't restart until 6 December. This means that no-one will miss out, if you made a payment on the 4 November your next payment won't be until 4 January

(depending on when we reopen). We are working through our lessons list and will be in touch if there is a problem with your DD set up.

More great news! We have been working with our IT partners to upgrade the system to ensure our new poolside devices are fully operational to update the online portal so you can fully track your child's progress. We are working through the final stages and will let you know when it is complete.

Don't forget the Swim School has a two week break (your monthly payments are annualised) between Monday 21 December and Sunday 3 Jan.

Web Info: Please keep an eye on our social media and dedicated web page:
