SWIM SCHOOL RESTART DELAYED

PLANNING FOR A RESTART

Delayed Restart

It is with regret that we are unfortunately delaying the restart of the Swim School. We had previously announced we could restart on Monday 26 July 2021, but this is now not achievable.

We appreciate this is not the news you want to hear and we apologise for any inconvenience this will cause. We have thought long and hard but due to operational pressures it is not feasible, we felt it was best to bring the Swim School in line with school restart in September and the gradual reopening of our other sports facilities.

- Your DD payments will not start until after the lessons to account for the payments made after the lockdown. As soon as we can confirm payment dates, we will let you know.
- Please do not cancel you DD, or if you have cancelled it, please ensure you contact HARLANDS to reinstate it. We will be running audit checks and if your DD is not LIVE it could jeopardise your child's place.
- We are keeping lessons at the same time and day as they were prior to lockdown. Unless you are contacted directly by us, please attend at your regular time.
- We will confirm changing space access, operational access flow and parent viewing / waiting as soon as we

can.

- If you have any questions about your lessons, please contact the Swim School Team at

swimminglessons@exeter.ac.uk

- If you have any questions about your payments, please contact the Admin Team at

sportsadmin@exeter.ac.uk

Thank you for your loyalty and patience, we all very much look forward to welcoming you back soon.

INTENSIVE SWIM LESSONS

At the Outdoor Pool this summer

We are delighted to announce, despite the delay to the Swim School, we are running our popular Intensive Swim Lessons – but this summer they will be at the fabulous heated Outdoor Pool on the Streatham Campus.

Lessons are 30 minutes long and a 5-day course is £31.25 per person. We have some spaces available between Monday 26 July and Friday 3 September, with timings between 12:00 – 15:00. To enquire about a space please contact the Swim School by [email](#).

The Outdoor Pool is on the University of Exeter Streatham Campus, parking is available in the car parks on Campus (for free over the Summer) but not immediately adjacent to the Pool. Please ensure you park in marked bays and walk to the facility. Please take a look at the [Campus map](#) for more information.

OUTDOOR POOL

Still free for Swim School Children

Hopefully you have had the chance to have a swim in the heated Outdoor Pool! Don't forget, even though the Swim School is not open, and we were not collecting payments, we continued to allow registered Swim School Children free access to the Outdoor Pool on the Streatham Campus.

To book a session and see the latest timetable head over to our [website](#). Please book in advance as availability is limited due to number restrictions in each session.

SUMMER MEMBERSHIP

For the parents!

Come and try out our superb sports facilities over the quieter summer months - our incredible flexible monthly Summer Membership is available to everyone! There is no long-term contract, just sign-up for 1 month at a time, when you want to use the facilities. The membership includes Gyms, fitness classes and the Outdoor Pool with increased advanced booking over non-members **all for just £25 a month.**

You can sign-up by calling the Sports Park on 01392 724452 or [online](#)
