

PUBLIC MEMBER UPDATE

MEMBERSHIP FROM 01/09/21

Restart, unfreeze, end of discount, reduced prices

From 1 September, if your membership is still frozen we will automatically restart it on your current platform unless you let us know you would like to cancel or move to another membership.

The current discount, which we extended by several months will expire from 31/08/21, therefore membership prices will return to the normal prices. The great news is that we have reduced the normal prices significantly across the membership platforms and introduced the fantastic PREMIUM membership. As per our previous communication please see the prices on our website for the 2021/2022 year or see below. DD payments will be amended from the 1 September 2021.

There are savings on the normal prices for both full and monthly members. If you have any questions about your membership and prices please contact us at sportsadmin@exeter.ac.uk

CASUAL BOOKINGS & FACILITY ACCESS

Fitness Class Timetable

Following our summer membership and timetable, from Monday 6th September we will be moving to our new term time fitness class timetable. This will be communicated in due course so please keep your eyes peeled for this!

Ready to play?

We are pleased to let you know that from, Monday 23rd August, we will be reopening a number of Streatham Sports Park facilities for casual bookings. This will include squash courts, covered tennis courts, indoor cricket nets and all outdoor pitches. Further facilities such as badminton courts and the indoor tennis centre will reopen later in September once current refurbishments are completed.

We have been busy moving the gym equipment from the indoor tennis centre back into the Russell Seal Fitness Centre and this will continue into next week. Additionally, we are pleased to have re-opened the changing rooms for you to use pre and post your training session or class.

To make any booking, please visit the Sports Park reception, call on 01392 724452, book online or email exetersport@exeter.ac.uk to enquire.

St. Luke's Reopening

We are excited to be reopening St. Luke's Sports Centre on Monday 6th September! The initial opening times will run from 12:00 to 20:30 Monday to Friday and 08:30-14:30 on Saturday and Sunday, with casual facility bookings, the gym and indoor pool all reopening to members.

We will be releasing further information over the coming weeks detailing how to book and to confirm the gym times.

Please help us keep you safe

We are still requesting that customers wear a face covering when entering, exiting and moving around any indoor facilities and we would be grateful if you could follow this guidance. Hand sanitiser will be available throughout all buildings and facilities.

Cleaning products will also be available for wiping down any equipment before and after use. We will update you shortly on booking procedures for the gym facilities but in the meantime, please continue to book your Russell Seal Fitness Centre sessions via this [link](#).

If you have any queries about the reopening of St. Luke's, please contact us at exetersport@exeter.ac.uk

OUTDOOR POOL

Nearing the end of a great season!

To accommodate the reopening of St. Luke's Sports Centre, our Outdoor Pool will be moving to a reduced timetable to ensure we can provide an offering across all facilities.

This new timetable will come into effect on Monday 6th September which will be made available shortly. We are planning to offer lane swimming every day, particularly at lunchtimes. Please keep an eye out for the latest information.

SPORTS PARK REFURBISHMENTS

Great investments this summer!

We have been working hard to complete some fantastic improvements and refurbishments over the closure period – to improve your experience.

Our Indoor Tennis Courts are being resurfaced (look out for the new colour scheme!) and painted, with new curtains being installed. We are installing a completely new floor in the Sports Hall which will provide an incredible surface.

Other facilities have had a deep clean and paint with minor refurbishments and investment in our systems and processes.

EMPLOYMENT OPPORTUNITIES

Do you know someone who is looking for paid casual employment opportunities where you also gain valuable skills and experience, we would love to hear from them and join our team!
