## LOCKDOWN MEMBERSHIP UPDATE

### Full / monthly / timescale

Please read the appropriate section below. We thank you for your understanding during this closure period.

If you have paid for **12 months membership in full**:

We will add the missing period (1 month) on to the end of your membership.

If you **pay monthly via a University of Exeter Staff partner member's payroll (salary)**:

These payments have been paused, meaning that November won't be collected. We are restarting payments from the December Payroll (end of December), unless you have asked us to extend your freeze.

If you **pay monthly via DD (Harlands)**:

These payments were stopped from Thursday 5 November, we will restart payments after 5 December so no-one misses out (for example if you had a collection on 3 November then you won't pay for one until 3 Jan).

If you have a **bolt-on (month or annual) membership paid through the till**:

We will add the missing period (1 month) on to the end of your membership

**Membership Freeze extension:**

If you would like to extend your freeze please email

[sportsadmin@exeter.ac.uk](mailto:sportsadmin@exeter.ac.uk)
