MEMBERSHIP INFORMATION

What is happening to my membership?

We completely understand that some of you don't want to restart your membership quite yet – which is why we are **extending the FREE Frozen Offer until 31/07/21** at this stage (this will be reviewed closer to the time).

- You will remain on the Frozen list unless you inform us otherwise
- Your payments (Payroll or DD) will not restart until you ask us to restart your membership
- You can restart your membership immediately or can stay on the Frozen list with the **free Sports Pass**.
- If your membership remains frozen you can use the free Sports Pass which gives you access to the discounted member prices for activities (so you won't pay the non-member rates).
- If you do wish to restart please email sportsadmin@exeter.ac.uk with a start date and we will do the rest!
- The 33% discount off the full prices is also extended until 31/07/21, so if you do restart you will do so on the discounted fee.

if you have any questions please email sportsadmin@exeter.ac.uk
