

NATIONAL LOCKDOWN UPDATE

CLOSURE

We are now closed until further notice

Following the Government announcement on Monday 4 January the **sports facilities are now closed until further notice.**

We appreciate the uncertainty this will cause for you in terms of membership but we can assure you we will review our options and be in contact with more information as soon as we can.

Many thanks for your membership, support and positivity and we look forward to welcoming you back just as soon as possible. We will follow UK Government, UK Active and University guidelines with regard to reopening and will communicate just as soon as we can.

YOUR MEMBERSHIP

What are we doing

Memberships are now frozen until we reopen, we will let you know what is happening with your payments / membership as soon as possible.

Salary Payments have been frozen with immediate affect and we are working with our DD partner (Harlands) to freeze all DD payments. DD payments can take 4 to 5 days to stop (if they are in process they can't all be cancelled), but don't worry as we will restart the payments on a specific date

so no-one will miss out. If you have paid up front for your membership we will add any missing months when we reopen.

Please don't worry as you won't miss out, we will be in contact just as soon as we have more information and know the lockdown period.

Great news - we have extended the 33% discount applied to University of Exeter Staff memberships until 31 July 2021. So when we do reopen you will continue to receive the discount!
