## THANKS FOR BEING A MEMBER

We are open all summer!

What a year! 2 Lockdowns, restricted access, different operating guidelines but together we worked fantastically well and were able to operate. Thank you for following the operating procedures to keep us all safe, we appreciate these changed your experience of the facilities, but they were essential. As a team of staff, we worked incredibly hard behind the scenes, keen to provide a fantastic experience in the circumstances.

We are open over the Summer for gym, classes, swimming and hopefully other facilities soon. We hope to continue to see you in the facilities. Don't forget, for your safety, we are now using the Facial Recognition Access Control system at the Sports Park - if you have not been set-up yet just have a chat with the reception team when you next visit.

As a thank you, check out the amazing time-limited early discounted [renewal offers!](#)

Following the latest advice, we are looking to reopen more facilities for bookings in July – this will depend on the most [up-to-date guidelines](#). We are hopeful that you will soon be able to book badminton, squash, tennis, cricket nets, 5-a-side football and table-tennis once again! Look out for special offers, restart giveaways and don't forget to check what your membership gives you!

We are also planning to reopen St Luke's Sports Centre from 26 July, this is likely to be reduced hours initially - we will communicate more information when we can confirm.
