

## NATIONAL LOCKDOWN UPDATE

### CLOSURE

We are now closed until further notice

Following the Government announcement on Monday 4 January the **sports facilities are now closed until further notice.**

We appreciate the uncertainty this will cause for you in terms of membership but we can assure you we will review our options and be in contact with more information as soon as we can.

Many thanks for your membership, support and positivity and we look forward to welcoming you back just as soon as possible. We will follow UK Government, UK Active and University guidelines with regard to reopening and will communicate just as soon as we can.

### YOUR MEMBERSHIP

What are we doing

Memberships are now frozen until we reopen, we will let you know what is happening with your membership as soon as possible.

In the previous lockdowns we either rolled-over membership to a following term / academic year or we added months on to the end and for those

students leaving the University we processed a relevant refund through your student portal.

Please don't worry as you won't miss out, we will be in contact just as soon as we have more information and know the lockdown period.

If you have any questions please contact our sports admin team:
