MEMBERS UPDATE

ONLINE CLASSES

Join our community!

We have some fantastic classes online, with a mix of your favourites! You don't need a live membership, just follow the link and sign up. Workout for free in your own home, try out a variety of classes and find your favourite.

Don't forget to let us know what you think so we can pass the feedback on to the instructors and plan our timetables accordingly.

Please follow this link to our [FiXR profile](#) for online classes or check out our [Facebook group](#).

RESTART PLANNING

No confirmed date yet!

Unfortunately, we don't have a reopening date yet, but we can assure you we will follow all relevant guidelines to open when permitted - we look forward to the next Government announcement

Many thanks for your membership, support and positivity and we look forward to welcoming you back just as soon as it is safe to do so. We will follow UK Government, UK Active and University guidelines with regard to reopening and will communicate just as soon as we can. Keep an eye on our [covid webpages](#) for the latest info.

For now please all stay safe and well.

YOUR MEMBERSHIP

What is happening?

Memberships are frozen until we reopen, we will let you know what is happening with your membership as soon as we can plan a restart date.

If you have paid in full we will ensure you get value for money by either refunding or rolling over the closed value.

If you have the 3-payment option we will reduce future payments to reflect the period closed.

Don't worry as you won't miss out, we will be in contact just as soon as we have more information and know when we can reopen.

If you have any questions please contact our sports admin team:

sportsadmin@exeter.ac.uk

MEMBERS SURVEY

Help us, help you!

It is essential that we have your thoughts as we plan for August 2021 onwards. We aim to review our membership platforms, services and options to create packages that you want.

We will be in touch soon with a few questions (using an online survey), it would be much appreciated if you could take some time to complete it as the responses will help us to help you!
